(iv) Criteria for selection and appointment of Directors and Remuneration Policy :**Preamble**

- The remuneration policy provides a framework for remuneration paid to the members of the Board of Directors (Board) and for Key Managerial Personnel (KMP) and other employees. The expression KMP shall have the same meaning as defined under Companies Act, 2013. This policy also provides a framework for identification of persons who are qualified to become directors and who may be appointed as senior management for recommendation of their appointment to the Board.
- This policy has been framed by the Nomination and Remuneration Committee of the Board of Directors and based on its recommendation, approved by the board of directors of the Company.
- The policy may be reviewed by the Nomination and Remuneration Committee of the Board of Directors.

Criteria for determining qualification

The Board may expect qualified directors to have ample experience and the highest level of personal and professional ethics, integrity and values. The Board shall also consider whether each director possesses the following :

- The highest level of personal and professional ethics, reputation, integrity and values;
- A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview :

There has been a number of causes behind growth of Indian economy in last couple of years. A number of reforms have been instituted by Indian Government and there has been significant amount of foreign direct Investment made in India.

India's foreign exchange reserve has gone up in last few years. Real estate/Infra sector as well as information technology industries of India have taken off. Capital Markets of India are doing pretty well too. All these factors have contributed to the growth of Indian economy.

However data shows a perceptible decline in the performance of core sector. Sectors like Natural Gas, fertilizers and steel are largely responsible for this poor performance.

Industry Structure and Development – Overview :

Indian economy is going through a period of rapid 'financial liberalisation'. Today, the 'intermediation' is being conducted by a wide range of financial institutions through a plethora of customer friendly financial products. The segment consisting of NBFCs, such as equipment leasing/hire purchase finance, loan and investment companies, etc. have made great strides in recent years and are meeting the diverse financial needs of the economy. These NBFCs provide a variety of services including fund-based and fee-based activities and cater to retail and non-retail markets and niche segments. They are being recognized as complementary to the banking sector due to their customer-oriented services, simplified procedures, attractive rates of return on deposits, flexibility and timeliness in meeting the credit needs of specified sectors.

With virtually all finance company business lines coming under greater competitive pressure, defining strategic initiatives and backing each with the necessary resources has become imperative for success. On the consumer side of the business, the ability to compete in various product offerings often is dictated by operational efficiencies and economies of scale. In this respect NBFC's face problems of high cost of funds because they lack the nation wide branch network and have a comparatively lower Tier-I and Tier- II capital base.

We witness that NBFC sector, in India are facing stiff competition from different banks and financial institutions. The cost of funds of banks is lower as compared to NBFC. Not only this, they have a very wide network and huge capital base which makes them more attractive than NBFC. However as the market is volatile in nature, the long term growth of capital market calls for a matter of concern.

Opportunities, threats, risks and concerns :

Being a Financial company, SVIL is exposed to specific risks that are particular to its business and the environment within which it operates, including interest rate volatility, economic cycle, credit risk and market risk. The most important among them are credit risk, market risk and operational risk. The measurement, monitoring management of risk remains key focus areas for the company.

Your Company has operations in finance and equity investments. The independent finance industry issues debt and lends the proceeds to individuals (consumer finance companies) and corporations (commercial finance companies) on both a secured and unsecured basis. Unlike the commercial banks, whose deposit taking ability adds significantly to funding availability, finance companies rely almost exclusively on institutional borrowings and access to the public debt markets for funding. Consequently, the ability to access the short, medium and long-term markets at competitive rates is critical to their ongoing viability. Your company faces tough competition from Nationalized, Foreign and Private Sector Banks due to their ability to grant loan at a considerably low rate of interest.

The company has its own specific risks that are particular to its business including default risk, fluctuation of interest rates, economic cycles etc. Moreover existing banks are moving into retail sector and regional banks like Assamese banks are coming into play, which poses major concern for your company. The volatility in the market is a matter of concern. However economic parameters being strong will upsurge the economy. Your company has a well defined and prudent business practice and a comprehensive Risk Management Policy to manage this risk.

Future Outlook :

Your Company is currently engaged in NBFC activities & Financial Management Services. The Company intends to continue focusing on NBFC activities including financing, Inter-corporate Investments & Capital Market activities. At the same time the company has plans to expand its business by offering a wide array of financial products and services.

With a dedicated team of people, the Company expects to establish growth ahead of market in the coming years. It would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better mode than the previous few years and with our efforts we can look forward to a prosperous year for the company.

Internal Control Systems and their adequacy :

The Company has a proper and adequate system of internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently.

The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

Material Development in Human Resources/industrial relations front number of people employed :

The company has been able to maintain its existing resources by keeping pace with the changing business environment and by ensuring staff continuity. The Company has a team of able and experienced industry professionals and employees. The Company believes that people are the key ingredient to the success of an organization. Looking after people makes good business sense because, if people are motivated, service excellence will follow. The relations remain cordial throughout the year between employees and the management.

Financial and Operational Performance :

Please refer Directors Report for financial performance.

Cautionary Statement :

The Board of Directors have reviewed the Management Discussion and Analysis prepared by the Management, and the Independent Auditors have noted its contents. Statement in this report of the Company's objective, projections, estimates, exceptions, and predictions are forward looking statements subject to the applicable laws and regulations. The statements may be subjected to certain risks and uncertainties. Company's operations are affected by many external and internal factors which are beyond the control of the management. Thus the actual situation may differ from those expressed or implied. The Company assumes no responsibility in respect of forward looking statements that may be amended or modified in future on the basis of subsequent developments, information or events.

TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SILICON VALLEY INFOTECH LIMITED** ("the Company") as of 31 March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal

financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENT**Note - 1****SIGNIFICANT ACCOUNTING POLICIES****A. Basis of Preparation of Financial Statement**

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013.

B. Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known /materialised.

C. Own Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation and impairment, if any. Direct costs are capitalized until fixed assets are ready for use. Capital work-in-progress comprises the cost of fixed assets that are not yet ready for their intended use at the reporting date.

D. Depreciation and Amortization

Depreciation on fixed assets is provided on the written down value method over the useful lives of assets estimated by the Management at the rates and in the manner prescribed in Schedule II of Companies Act, 2013.

E. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Dividend income is recognized when right to receive is established. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. Depreciation for assets purchased/sold during a period is proportionately charged.

F. Impairment of Assets

An assets is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

G. Inventories

Items of inventories are measured at lower of cost and net realisable value.

H. Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss account of the year in which the related service is rendered. Post employment and other long term employee benefits are recognised as an expense in the Profit and Loss account for the year in which the employee has rendered services.

I. Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions

NOTES TO THE FINANCIAL STATEMENT (Contd.)

of the Income Tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that enacted or substantively enacted as on the balance sheet date. Deferred tax assets is recognized and carried forward only to the extent that there is a virtual certainty that the asset will be realised in future.

J. Provisions, Contingent Liabilities and Contingent Assets

Provision involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingents Assets are neither recognized nor disclosed in the financial statements.
